Non-Stick Fire Magic Wok E-Z Assembly Instructions

The Fire Magic Non-Stick Wok

This stylish nonstick wok by Fire Magic is the perfect and versatile cooking accessory for the well-stocked outdoor chef. Preparation of stir fried vegetables or meats is made easy with this top quality wok. Crafted of hard-anodized heavy gauge aluminum, Fire Magic Woks have an E-Z clean, non-stick surface for carefree and healthy cooking. The wok has a 14^{3/4}" diameter and is compatible with all Fire Magic Barbecues, Sideburners and Power Burners as well as with normal indoor cooking ranges.

The nonstick wok will not peel, blister or warp under normal useage and is safe for use with metal utensils. The easily assembled set comes in 8 pieces and by following the instructions below, it only takes a few minutes to put together, using a ³/₈" flat blade screwdriver.

Parts List

- | | | | |
|----|-----------------------|----|--------------------------|
| 1. | Wok Base Pan | 5. | Wok Lid |
| 2. | Wok Handle (black) | 6. | Slotted Connecting screw |
| 3. | Steel Handle Washer | 7. | Wok Lid Handle bezel |
| 4. | Handle connecting Rod | 8. | Wok Lid Handle |

The 3 Stage E-Z Assembly of Wok Base Handle.

- 1) Taking the black handle (Item 2), insert the six-sided end into the receiving hole on the base pan (Item 1).
- 2) Slide steel washer (Item 3) onto the threaded handle connecting rod (Item 4).
- 3) Insert the rod through the handle, into the the base pan and tighten, locking the handle into place.
(TAKE CARE NOT TO OVER TIGHTEN)

The 3 Stage E-Z Assembly of Wok Lid Handle.

- 1) Taking the wok lid (Item 5) and inverting it, push the slotted screw (Item 6) through the hole on the center of the lid.
- 2) Place the silver and black wok lid handle (Item 8) into the handle bezel (Item 7) and place over center hole in the lid.
- 3) Push the screw into the hole in the lid handle and tighten, using a ³/₈" flat blade screwdriver.
(TAKE CARE NOT TO OVER TIGHTEN)
